4 Bedroom, 1.00 Bathroom, 1,416 sqft
Residential on 6.10 Acres

N/A, La Cienega, New Mexico

This is one of the most beautiful properties in this community. Located just south of the Las Golondrinas, this property has 6 acres of land right next to the La Cienega creek. Complete with a well, county water and water rights, it also has access to the Acequia de la Cienega. The main home surrounded by mature fruit trees, is located next to the road, and has a garage/workshop. Down in the field is a barn. Further down is a one acre separately deeded lot, just waiting for development. The formerly farmed fields are ripe for planting, or building should you decide to use the existing home as an income property. This property is priced to sell "as-is", and won't last!
